PRESIDENT'S MESSAGE

We now have only three months until the National Meet. That doesn't give us much time to get ready. Please be sure to send your registration in early so they can plan a better meet for us, (and save \$5.00).

As most of you know, we have a Board of Directors meeting each year at this National Meet. One of our Board Members heads the committee to take all suggestions, complaints, or anything a member might want brought up before the board in case he cannot be there. This year Jim Hatcher will be in charge of this, so if you as a member of the National have something for the Board of directors to discuss, please send to Jim Hatcher listed under the Board of Directors in front of your Newsletter.

I think we should take a good look at our Newsletter. Our Editors, Bill and Kathy Woodell, have been doing this for about a year now. I think they have done an outstanding job on this. To be an Editor takes a lot of time and work. The quality of *The Falcon News* shows they have devoted both of these. If you enjoy the club Newsletter, I am sure they would like to hear from you. If you have suggestions or ideas for the Newsletter, they welcome them also. So remember, when you see them at a meet, thank them for the job they do. Hope to see all of you in August.

Roy E. Sword, President, FCA

EDITOR'S NOTE

We are getting a great response from you the members. Our sincere thanks to those who take time from their busy schedules to write in and give answers to reader's technical questions and send in news worthy articles from local papers about Falcons. There's lots of good reading coming up in future issues. Our biggest problem each month is running out of room!!! So, bear with us and your letter will be in an upcoming issue.

Please get all ads and meet reports and calendar items to us by the 10th. This really helps us schedule finalizing the newsletter so that it goes out on time.

Please continue to limit all classified ads to 50 words or less.

Our many thanks for making our job easier.

MEET REPORTS

The Southeast Chapter

The Southeast Chapter met March 16, at Arrington-Blount Ford in Lauranceville, GA. The dealership removed all cars from the showroom and front lot. We had 11 cars (falcons) in the showroom and 19 on the new car lot. Wanda Goddard and Sara Moon sold hot dogs, cakes, popcorn and crafts to raise money for the club. Everyone had a great time including employees of the dealership. We are having a Yard Sale, April 19-20, to help raise money for the club. We now have 58 members in our Chapter.

The Gateway Chapter

The Gateway Chapter held a special meeting on April 6, at the Bonanza Sirloin Pit in St. Charles, MO. Eighteen members were present. The final plans for the regional to be held on May 16 and 17 were made. The main activities are: a tour of Union Station (we provide transportation), auction of Falcon parts, driving rodeo (testing your driving skills), plus other activities for the whole family. Hop to see you there!

The Founder's Chapter

The Founder's Chapter met April 12, 1986 at the Golden Host Cafeteria in Little Rock, AR with 17 in attendance. Guest were Mr. & Mrs. Bob Logan and family, and Mr. & Mrs. Sam Sprafke. Due to the illness of Glen Acree's father, the Acree's were out of town. Ezra Wingfield, Vice President, brought the meeting to order. Mr. Wingfield announced the W & W car meet for Sat. April 20, at Searcy, AR. Everyone will meet at the Country Kitchen in Jacksonville at 7:30 a.m. for breakfast and then motor on to Searcy. Sam Sprafke volunteered to take pictures of the meet for the Newsletter.

The Mile Hi Chapter

Eighteen Falcons and over 30 Falcon lovers turned out to stop, look, and listen. It was perfect weather. To highlight our Falcons, Ron, the owner of the Mountain Man, had his 1940 Ford full custom blown show sedan delivery on display. What a car (truck)! New member Steve Harris arrived with a beautiful '64 hardtop...immaculate red body with a perfect 351 installation. Joe and Lila Hannebrink also arrived with their new 1966 Ranchero and Lila's 1963 Futura convertible. We now have 29 memberships (individual and family) in the chapter.

The Members of the Gateway Chapter
invite you to attend a

Spring Fling Regional Meet

at Historic St. Charles, Missouri

May 16 and 17, 1986

We have reserved rooms at the Noah's Ark Motel and Restaurant overlooking the Missouri River. Also on this weekend St. Charles is having its annual Lewis & Clark Rendezvous in the restored historic district. The ladies will enjoy shopping at the many unique shops in the area.

Activities include banquet, driving rodeo, seminars, trophies, free swap spaces for non-commercial members and attendance prizes.

Please pre-register and make your hotel reservations early. This will help us plan a better regional for you. Hotel reservations must be in by May 2, 1986, to receive the special FCA rate. Please contact us for extra information packets on the St. Charles area. Phone (618) 259-3052 or (314) 441-6653, or write Ellen O'Dell, 417 Valley View, East Alton, IL 62024.

More Information About the St. Charles, MO Spring Fling Meet

The Gateway Chapter would like to take this last opportunity before our regional to tell you about our plans for the meet. We have come up with some new ideas that you may want to take part in.

Here is a schedule of events for the weekend:

There will be some of our members at the motel on Thursday evening if you want to arrive early. They can give you information on sightseeing, restaurants, etc. or just set around and swap lies about our Falcons. Friday morning registration will open at 9 a.m. along with the club store. Vendors will also be open for business (non-commercial members swap spaces are free). There will also be time for you to wash and clean your cars. Friday afternoon we will have a non-official business meeting. This will be a good time for members to express their views on the club and any other topic pertaining to Falcons.

Friday evening we will have a bus tour to the newly renovated Union Station in downtown St. Louis. We guarantee you will enjoy the many unique restaurants and shops located in this beautiful old building. The tour lasts from 6-10 p.m. and costs \$4.00 per person. For those of you who plan to stay at the motel Friday evening we will bore you with some slides and videos of some previous conventions.

And then the fun really begins on Saturday morning. We are going to have an auction. Many of our members have donated good usable Falcon parts to be sold for whatever they will bring. Bill Steimel has even donated a 1962 Falcon. It will be sold to the highest bidder. Jim Keith of Paragould, AR has donated two 64 and two 63 rust free front fenders. This sale is going to be fun and you may get that part you want cheap.

Now comes the real wild idea. We are going to have a driving rodeo to see just how good a driver you really are. We will have a precision course set up in the parking lot. It will not be a speed or timed event. First the ladies will drive, then the men. Watch out for the next event. The men will drive the car blindfolded with the women giving directions from the back seat. (We are not responsible for any divorce proceedings that may come from this).

After all the dust and excitement of the afternoon clears we will have a nice quiet evening banquet, suits not required (inside joke). Mixed in with these activities will be the chance to talk to many of your old acquaintances and meet some new members with the same interests that you have.

We hope this article will help you to decide to come and visit us here in St. Charles on May 16-18. Our meet also coincides with a big celebration being held here honoring the Lewis and Clark expedition of 1804.

YOUR 1986 NATIONAL MEET — AUGUST 14 - 16 IN WISCONSIN

The 7th Annual National Convention of your club, to be held in Appleton, WI, August 14-16, 1986, promises to have something for everyone. Calls, letters and registrations are coming in from members nationwide. Your chapter presidents have information packets. Some groups are planning Falcon "caravans". There's a lot of excitement and interest, and your hosts, The North Central Falconeers, couldn't be more pleased and delighted!

Registration forms for both the Convention and your room reservations will be in this issue along with the June and July issues. But don't wait too long and miss out on *The Great Times* and the opportunity to be a part of *The Traditional Old Fashioned Friday Nite Wisconsin Fish Dinner on The Valley Queen II Riverboat Sternwheeler!* Early registration will also allow your hosts to consider and review the number of entries in each class, possibly splitting larger groups into separate classes, i.e. wagons, sedan deliveries, 1960-63 sedans, etc.

Take a second look at the 1985 FCA 6th Annual National Meet booklet you just received. It does a great job of reviewing a great time in Kansas City in August 1985. Don't miss a great opportunity to meet new and old acquaintances, see well over 100 beautiful Falcons, enjoy the cool and comfortable breezes of wonderful Wisconsin at your 1986 FCA 7th Annual National Convention in Appleton, Aug. 14-16.
